LINNEAN SOCIETY OF LONDON.

MEMORANDA CONCERNING PUBLICATIONS.

JOURNALS.—The first VIII. volumes contain papers both on Botany and Zoology, and each volume is divided into *Four* parts at 3*s*. each, or 12*s*. per vol. From Vol. IX. the Zoological and Botanical sections have been published separately, and each consists of Eight numbers at 2*s*., or 16*s*. per vol. From Vol. XIV. Zoology, and Vol. XVII. Botany, each separate number is 3*s*. to the public and 2*s*. 3*d*. to Fellows, or the volume 24*s*. to the public, and 18*s*. to Fellows.

TRANSACTIONS.—The First Series of the Transactions, containing both Botanical and Zoological contributions, has been completed in 30 Vols., and a few entire sets are still for sale. Only certain single volumes, or parts to complete sets, may be obtained at the original prices. The price of the Index to Vols. 1–25 is 8*s*. to the public, and 6*s*. to Fellows; to Vols. 26–30, 4*s*. to the public, and 3*s*. to Fellows.

The Second Series of the Transactions is divided into Zoological and Botanical sections. The prices of the various parts which have been published of these are as undermentioned:—
